

**Chem Carriers, L.L.C.**  
**Vessel Response Plan and**  
**Non-Tank Vessel Response Plan**

<b>SECTION 2 NOTIFICATIONS</b>	
In the event of a discharge or substantial threat of a discharge these people will be responsible for the following notifications:	
<b>Shipboard Personnel:</b>	Contact the Qualified Individual or Alternate Qualified Individuals as follows:
	<b>Qualified Individuals (Q.I.):</b>
	<b>Mr. Brian Folse</b> Office#- 985-851-5055 Cell#- 985-856-4330
	<b>Mr. Eric Gautier</b> Office#- 985-851-5055 Cell#- 985-709-2716
	<b>Mr. Jared Champagne</b> Office#- 337-558-7543 Cell#- 281-804-6643
<b>Alternate Qualified Individuals (A.Q.I.):</b> Any observed oil spill or oil based product spill of any quantity should be reported to the Qualified Individual immediately. In the event the Q.I. cannot be reached, contact the person(s) listed or any other Forefront Emergency Management, L.P. staff member. All Forefront Emergency Management, L.P. staff members are designated Q.I.'s/A.Q.I.'s and can be reached at the 24-hour number listed.  (Please reference the IMT contact list for all incident management team members found in Section 5)	<b>Mr. Josh Caillouet</b> Office#- 985-851-5055 Cell#- 985-637-1220
	<b>Mr. Jared Langlois</b> Office#- 337-558-7543 Cell#- 713-817-9726
<b>Shore Based Response Personnel:</b>	The Qualified Individual shall make or direct all other notifications in the preceding list as appropriate to the location of the incident. These notifications will include all agencies that have jurisdiction over the area of the spill, the NRC and the listed OSRO for the area involved.
<b>Qualified Individual Notification:</b>	The Qualified Individual should be notified by the barge based personnel in the event of any measurable amount of product spilled into a body of water or any incident affecting the seaworthiness of the barge in question.
